

# CRESTED BUTTE ELOPEMENT CHECKLIST

BY PAIGE WEBER PHOTOGRAPHY

# PLANNING AHEAD

1

## Pick Your Wedding Date

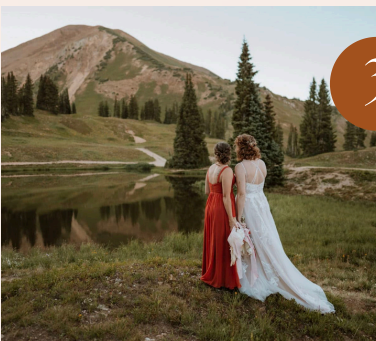

Think about the kind of vibe you want. Wildflowers in July? Golden aspens in September? Snowy peaks in October? Skiing in January? Choose a season that fits your dream day.

2

## Hire Your Crested Butte Elopement Photographer & Planner

You don't have to figure this out alone. Lock in someone who knows the area, the trails, and how to guide you every step of the way. Someone like myself!

3

## Select Your Ceremony Location

From hidden alpine lakes to jaw-dropping overlooks, I'll help you find a spot that matches your style, accessibility needs, and sense of adventure.

# PLANNING AHEAD

4

## Book Your Travel & Accommodations

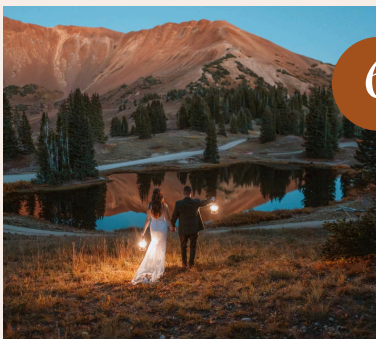

Find a cozy cabin, mountaintop Airbnb, or a unique stay close to your ceremony spot. Don't forget to plan ahead for 4x4 vehicle rentals if needed.

5

## Hire Remaining Elopement Vendors

Hair and makeup, private chef, officiant, florals. I can share trusted local recommendations to help round out your vendor team. None of these are required, just suggestions!

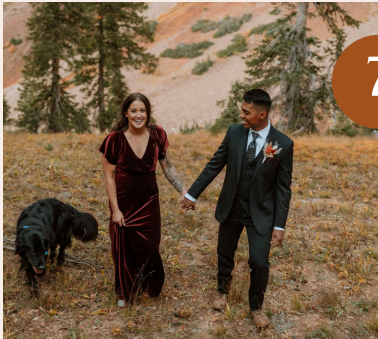

6

## Build an Elopement Timeline

This is the key to a relaxed day. I'll help you create a timeline that flows naturally with the light, the landscape, and the experience you want.

# PLANNING AHEAD

7

## Have a Kickass Day Getting Married in Crested Butte

You've planned an intentional day in one of the most beautiful places in Colorado. Take it all in, breathe, and soak up every second of it.
